

BITTNEERS

LAURA FRAZIER
Chairman

Laura Frazier leads one of our nation's longstanding and innovative design firms. Her dedication is the key to Bittners success today and in the future.

Laura has led Bittners' growth in modern residential design, the development of the commercial division, the establishment of our area's largest design resource center, the growth of handcrafted, custom furniture and the expansion of Bittners' design campus, in the heart of Louisville, Kentucky. With her drive and passion, Bittners is now a nationally-recognized design firm with clients throughout the country.

Laura is a supporter of many causes through her philanthropy and leadership roles. She is strongly committed to cancer research, specifically stem cell research and supports:

- National Foundation to Support Cell Transplant Research
- University of Louisville Foundation
- Jewish Hospital & St. Mary's Foundation Board
- The Speed Art Museum
- Gilda's Club Louisville
- Louisville Ballet
- Woman's Club of Louisville
